RECOMMENDED ACTIONS

1. Same-day clearance is at 62.4%: prioritise dock allocation for vehicles that gate in before 3 PM so they exit the same day.
2. Null rate is at 19.6%: confirm advance slots with brands 24 hours before the appointment and re-slot likely no-shows early.
3. Fulfilment is at 80.4%: review brands with repeated no-shows and tighten appointment lead times.
